OUR SERVICES

01

Accommodation and Tenancy Assistance

We provide transition support for individuals that are seeking a place to live. We ensure that the accommodation suitably suits their type and level of needs, ultimately, ensuring a smooth transition.

02

Assistance to Access and Maintain Employment or Higher Education

Assistance and support with preparation for school leavers to find employment in the open job market. We are also able to assist in the transition from school towards further education. This service is not only available to those leaving school, but we can also assist anyone further their education and/or securing a job.

03

Assistance with Life Stage Transitions and Support

Including mentoring, peer support, individual skill development, and decision-making to support people to make transitions on their terms and in a way that meets their goals and aspirations.

04

Assistance with Daily Personal Activities

To enable people to live as autonomously as possible, we aid with personal hygiene, dressing, medication, financial management, communication skills and lifestyle mentoring. Should an individual require further assistance, we are happy to arrange specialised support.

05

High Intensive Daily Activity

Our highly trained and experienced expert will look after all your needs 24 hours a day/7 days a week. We will work with you to develop a team of support workers that would be able to work with you and that you find comfortable working with to ensure your daily needs are met.

06

Assistance with Travel & Transport

We provide support in arranging transportation and ensure that our clients have access to their essential services without hassle.

07

Innovative Community Participation

Individuals are supported so that they can participate in community-based activities that are open to all members of the community.

08

Development of Daily Living and Life Skills

Including developmental-focused activities and training to enhance the person's ability to live as independent an everyday life as possible.

09

Assistance with Household Tasks

Including developmental-focused activities and training to enhance the person's ability to live as independent an everyday life as possible.

10

Group and Centre-based Activities

Such as social outings and activities as a group on Hope & Integrity Care Services Pty Ltd's premises.

11

Assistance with Daily Tasks in a Group or Shared Living

We assist and/or supervise individuals to complete their daily tasks in a shared living environment. This shared environment is either temporary or ongoing and is designed to develop the skills of the individual to live as autonomously as possible. If clients need more and/or need less assistance, we are happy to cater for either.

12

Community Nursing

Our qualified nursing staff with acute medical experience can provide the nursing care that you require, and we provide a tailored experience. We provide all nursing care, so send us your enquiries or give us a call, and we will see how best we can support your goals. You can find our contact details on our website.
